

Pupil Premium 2012-13 - we received £18,000

How the pupil premium money was spent

Target Area	Action	Cost	% of children accessing each intervention who have FSM	Impact
To address the needs of those children in Year Two who have behavioural difficulties and ensure other children receive their educational entitlement	Extra support in the class 5 afternoons a week	£3,429	100%	The extra support has enabled us help meet the needs of these children.
	Extra support at lunch time for the summer term	£1,861		
To improve the speaking and listening of reception age children	Extra member of staff shared between the 2 classes in the morning	£5,341	100%	Average achievement for S & L was 14-19 months showing accelerated progress
	'Time to Talk' programme	£3,429	56%	
To improve the emotional well-being and confidence of FSA children, this in turn should boost their speaking and listening skills.	'Time 4 You' Counselling from the Benjamin Foundation	£2,877	40%	The average amount of sub levels in S&L for FSM children in Key Stage One is 3.14. This represents excellent progress. All of these children gained in confidence.
To enrich and extend children's learning opportunities.	Storyteller and Dance teacher during our African week	£655	100%	All children benefited from the visiting teachers and staff were able to observe children being enthusiastic and displaying new skills which otherwise may not have been evident. Staff gained better subject knowledge to enhance learning opportunities
	Cost of coaches for school trips	£2,040		
		Total Cost £19,632
