Dear Parents / Carers,

It is that time of year when we start to get excited about Sports Day. Due to the building work, our Sports Day will run over two days this year. On Thursday 13th July the children will be taking part in a variety of sporting activities in their house teams, with their siblings. See times below.

On Friday 14th July the children will compete against their class peers in a competitive flat race and a fun race. Over the two mornings, every child will be given the opportunity to experience competition as well as team work. Their success and effort will contribute to the overall placing of their house team.
