

Headteacher: Mrs J Bradford

20 September 2017

Dear Parents/Carers,

Homework expectations in Year Two

Children will have a variety of home based tasks to complete these will include;

**Maths**

This year the children will be expected to complete 30 minutes of Maths Whizz a week. This is a computer based programme which is tailored to your child's specific needs and will accelerate their progress. There will be an information meeting which will be on the 19<sup>th</sup> September. We will provide more details about this closer to the time.

**Topic**

We will send our topic homework during the School holidays to provide your child with an opportunity to deepen their understanding of topics we have covered or will cover in the future.

**Reading**

Following the success of last year's reading challenge we will be continuing this in Year Two. We encourage you to read as much as possible with your child the minimum expectation is 3 home reads per week. Reading records will be collected in on a Friday and your child will be able to move up on their racetrack and earn rewards! School reads will be additional in supporting your child's reading development but will not count towards the reading challenge.

**Spellings**

This year spellings will be sent out on a Tuesday. They will be due in the following Monday. Your child will be tested throughout the week in their daily phonics and spelling session. Please support your child by completing at least 3 of the suggested activities each week. We have a new reward scheme where your child can earn rewards as they complete the different spelling games.

Any questions please speak to your child's class teacher.

Many thanks

The Year Two Team.
