MESSAGE FROM THE HEAD

It hardly seems possible that the school year is almost at an end! I want to praise all of our children for their hard work, the good progress they have made and their constant enthusiasm over the past year. To our current Year 2 children, I want to say how proud we all are of their achievements and I wish them all the best in their new schools. Some parents will be saying goodbye to us as their youngest child leaves. On behalf of the school I would like to thank you for your support over the years. The end of a school year is a time of reflection, but is also a time to be looking ahead to the forthcoming year. May I wish everyone a happy summer holiday and look forward to the autumn term.

School reopens 4th September

ABSENCE

As I expect many of you will know, the government is very keen that schools

monitor attendance at school very closely. Our attendance and punctuality figures could be improved upon. If your child is away from school for any reason it is absolutely essential that you let us know (thank you to those who do). If we haven't heard from you (by phone on 01263 513296 or note) by 10.00, it is likely that you will get a text call either from the school office or from the Education Welfare Service.

DAY CARE

If you require child care over the next few weeks than please remember that the Nursery will be open for 4 weeks over the holidays. The Nursery staff will be offering you a home visit, if your child is new to the Nursery.

If your child has a story book could you please return it to the Nursery.

QUESTIONNAIRE

Thank you to all those who have responded to our questionnaire. In September I will have the collated results for you to see.

FRIENDS

The 'Friends' have worked incredibly hard this year. Many thanks to that small band of individuals who do so much for our school.

A SPECIAL THANK YOU

I would like to say a big thank you to all parents, helpers and families who have supported us all year through helping in classes and on trips, organising and attending school events, returning school surveys and, most importantly, taking an interest in and supporting their child's learning.

HAPPY HOLIDAYS
