### New Build Grand Opening

We had an amazing day last Friday at the grand opening. We want to say a massive thank you to all those that made it such a special day. The FOSPINS team worked so hard and made a fantastic £767 for the school. Thank you to Hilary Cox and Spiderman (Mr Dave Upton) for opening our school.

Thanks go to the Governing body for their tireless work in securing the funds to build our incredible new school.

Thank you to all those that donated prizes, food and their time. Special thanks go to Lidl for donating free food, Andy at One Stop for donating prizes and Morrisons for the bunting and prizes.

### FOSPINS

Our Friends at Suffield Park Infant and Nursery School work so hard to raise money for our school and with several key team members leaving the committee they really need new volunteers. Any assistance would be appreciated at events, if you can help please contact the school office.

### Staffing

We have several goodbyes and thank you's to make this term. Ros Hele, Chris Garwood and Gill Jarrel are retiring this summer after a record number of years at Suffield Park.

John Neenan is leaving us to take up headship at St Michael's School in Aylsham. Amy Ward is expecting her second baby and starts her maternity leave.

Ellie Carter is also leaving us and you will see Donna Cook and Debbie Davies at Cromer Junior School as of September.

If you would like to contribute to leaving gifts please send these in via the school office.

### Parent Support Officer

Will Campbell is our Parent support Officer who works to support families from our school and nursery, Cromer Junior School and Cromer High School. He will be available for drop in sessions every Tuesday and Thursday from 8:45- 9:30. Will has supported lots of our families with parenting, children's behaviour, housing, claiming the right benefits, foodbank vouchers, school attendance, eating and sleep worries. He can signpost you to a variety of different services and would love to meet you! He can be found in the second room just inside the doors to the new block.

### Safeguarding/Healthy Living Week

Thanks to all the adults who have supported our trips and volunteered to help, we couldn't do it without you! Next week is Healthy Living week at school, where we will be learning all about how to stay physically and mentally healthy. Please do talk to your children about who to talk to if they have any worries.

### **Family Support Confidential helpline**

Family Lives offers a confidential and free helpline service (previously known as Parentline). We have Reception spaces available for children starting school in September. Visits are warmly welcomed so please feel free to spread the word.

### **Attendance Success**

If your child is discussing 'George The Bear' that means their class has achieved the best attendance in school for that week. The children really enjoy having him participate in classroom activities both indoor and out when they receive him. A big thank you to the parents and carers who are working hard to get their child/children to school every day on time. This has a positive impact on their day and means no learning is lost.
