Head Teacher: Mrs Nichola Stewart

Monday 26th November 2018

Dear Parents/Carers,

As you are aware on Friday our school had a small fire. This broke out in the staffroom and was very quickly extinguished by fire fighters who attended at approximately 11:20am.

Our children followed their well-practiced procedures and were quickly evacuated and accounted for. Staff and children remained calm and Cromer Junior School helped to house us during the evacuation. We would like to thank the staff and students at CJS for being so accommodating.

Unfortunately as the whole site (including the school kitchen) was evacuated we were unable to prepare the lunches for the children which led to closing the school early on this day. We are lucky that there is no significant damage and our school is safe to operate as normal. Thank you for your patience and understanding on Friday.

Please talk to your child about their experiences and praise them for following the procedures that kept them safe. Please also talk to your child about what would happen if there was a fire at home and your own emergency procedures.

Finally, huge thanks to the fire fighters who attended the site and made our school safe. We are very grateful for their speedy attendance and action.

We are looking forward to a less eventful week in school!

Kind regards,

Mrs Nichola Stewart
Head Teacher
