Dear Parents/Carers,

Following our recent Ofsted inspection we are delighted to share that we are officially graded as a 'good' school. Please find the full report attached.

We are thrilled that the inspectors recognised our 'strong and enthusiastic team' who have 'high expectations of what children can achieve' and most importantly that 'pupils love coming to school.' We feel the report reflects the hard work, dedication and support of our governors, staff and essentially our children.

School leaders and governors accept Ofsted's findings and would like to take this opportunity to thank all parents and carers who completed the Ofsted parental survey on-line and those who spoke to the inspectors on the day. Your comments were very helpful and your pride of our school was clear.

We would like to thank you all for your support and help in this amazing achievement and we will continue our journey to develop and aspire to becoming an 'Outstanding' school.

Yours sincerely,

Nichola Stewart
Head Teacher
