Coronavirus Update

In response to the ongoing situation, we have decided to make PhonicsPlay free to use during this period. Children can use the site at home without their parents needing to subscribe. To access our resources all you need to do is log on using the following details

Username: **march20** Password: **home**

We are currently very close to completing a new version of the PhonicsPlay site that is accessible on all phones and tablets. We will therefore also ensure that it is possible for users to freely access this new version of the site (with apologies in advance for any areas of the site that are not yet fully finished or double checked). The site can be accessed here: new.phonicsplay.co.uk.

Our aim to ensure that existing subscribers aren't disadvantaged and will seek to make sure that after the school closures are over and the site returns to normal, that existing subscribers have additional time added to their subscription.

If you haven't already discovered www.phonicsplaycomics.co.uk you may also find these free decodable comics useful at a time when you can't physically exchange your children's decodable reading books.

We wish you good health and all the very best at this stressful time.

Below the update is a row of colorful cartoon characters including a monkey, a blue robot, a squirrel, a green alien, a Santa figure, a rocket, a red owl, a cactus, a black egg, a yellow bee, a sign that says 'Play', and a green character. Below the characters is a login section with fields for 'Username' and 'Password', a 'Login' button, and a note 'Forgotten password?'. To the right of the login section are two large buttons: a pink one that says 'SUBSCRIBE TO PHONICSPAY' and a blue one that says 'FREE PHONICSPAY'.
