

Suffield Park Infants and Nursery School PE and Sport Funding

As part of a government initiative, the school has been allocated funding each year since 2013 from the PE and Sports Grant. The money is ring-fenced and must be spent on improving the provision of PE and sport for the benefit of all the pupils at Suffield Park Infant and Nursery School, so that they develop and maintain healthy lifestyles. Schools must account for this money and look at how it will impact on the provision of high quality PE and Sport in school. Payment for 2019 to 2020 £16,000 and an additional payment of £10 per pupil.

PE and Sport Funding 2019-2020

Purpose	Expenditure	Impact
<p>Sport Teacher - A full afternoon, once a week (PE lessons and lunch times).</p> <p>Plus Cluster Sports Coordinator (organises cluster competitions e.g. Cross Country and attends 6 extra mornings a year).</p> <p>Dance Teacher- A full afternoon, plus after school club, once a week.</p>	<p>£2000</p> <p>£700</p> <p>£550</p>	<p>All children have benefitted from an inclusive and enhanced PE provision. Teachers and Teaching Assistants have been supported by Sport Teacher and Dance Teacher in the delivery of high quality PE in specialist areas such as dance and athletics. Teachers and teaching assistants work with experts to ensure sports legacy whilst upskilling our staff. Children follow sequences of lessons and consolidate their learning of skills and techniques thus preparing them appropriately for future lessons to produce good outcomes. Children have positive relationships with staff and familiar sport teachers and expectations are high. Increased opportunities for children to participate in competition e.g. 'In house' competitions, individual competition and out of school competition. Children learn resilience, teamwork, as well as enhance character building, focusing on the whole child. Children experience working as a team to perform in front of an audience. Increased opportunity for parental involvement.</p> <p>The Sport Teacher supports lunchtimes, providing activities based on children's interests and ideas. These activities change to ensure children experience a broad range of sports and skills and to ensure children's involvement is high. Children experience a fun and active lunchtime with their peers, siblings and others who they do not necessarily associate with in class.</p>

		Teachers and teaching assistants have observed improvements in children's overall fitness and stamina. Children are able to stay active for longer periods in PE lessons and during extra-curricular activities such as Cross Country.
TA Teaching PE to all year groups (Level 3 Teaching & Learning in PE).	£3,700	The delivery of PE lessons from trained teaching assistants has continued to have a positive impact on whole school improvement and contribute to the high profile of PE and sport in our school. High quality PE lessons delivered to all year groups including Reception. PE lessons are exciting, fun and engaging for all children. Children enjoy PE and are enthusiastic about joining in. 100% participation. Further experiences and skills such as Real PE, Tri-Golf and Cross Country (upskilled from last year) enhance the current PE curriculum. Allocated planning time every week has enabled well-planned PE lessons to ensure high quality provision and progression. PE lessons are inclusive to all, including children from the SRB. Children respond well to effective questioning, often commenting on their own performance and thriving on improving their skills. IWBs used as part of PE lessons to share learning objectives and intended outcomes, as well as supporting children's understanding of how the human body works and the benefits of physical activity. Parent's feedback positively to staff about their child's enthusiasm for PE days.
KS1 Swimming Lessons. £350 Pool Hire £325 Swimming Teacher £1200 Transport	£2,500	Swimming Lessons did not take place due to pandemic and school closures. To continue next year. Before school closure, PE Leader held a meeting with a local outdoor adventure centre to organise future swimming lessons. There is also a possibility of using their sports hall for extra physical activity. This will increase community links, as families can use the outdoor centre during school holidays.
MSA to lead and deliver active lunchtimes.	£2,500	Children enjoy active and exciting play times. A variety of playground equipment has increased daily physical activity for all children. This equipment has been the same equipment used in PE lessons, so the children have had the opportunity to practise their skills further. Year Two Playground Leaders have helped lead and initiate games with other children. Children show high levels of engagement. The atmosphere at lunchtimes is vibrant and children are happy to engage with others.
Restock of new Resources for Early Years, KS1 PE lessons and playground equipment.	£1,000	A wide range of PE equipment has been carefully selected and ordered throughout the year, by the PE leader to support all areas of physical development, including: PE lessons, continuous physical provision in early years, sports clubs and playtimes. This has increased participation from all children in physical activity and planned appropriately for individual needs. Sports equipment has been readily available for the children to use during lunchtimes. Children enjoy using a range of equipment to develop their fundamental skills and to create games with each other, building on their problem solving skills and social skills. Children behave well and encourage others to join in, forming good relationships. Children are active, more of the time.

RM Leadership Time planning, evaluating and monitoring, attending sporting events (Supply Cover) as well as promoting the profile of PE in school.	£800 £200	<p>Much of leadership time would have taken place during the summer term before the school closures. To continue next year. PE leader has promoted daily physical activity at home using the School Website and School Facebook Page.</p> <p>However, the high profile and importance of PE, healthy living and physical activity continues to be evident and embedded throughout the school and on the school website, Facebook page and Tapestry. Children see PE, physical activity and exercise as an important part of their life. This is evident during PE lessons, from children's contributions to healthy living assemblies and general every day discussions with the children. Teaching staff feel happy and confident to teach PE with the support and guidance from the PE leader. PE and Sport in school is monitored continuously to ensure a positive impact is made. Improved Planning has ensured all children make good progress. Children's achievements in and out school is valued and celebrated throughout the year.</p>
After school clubs run by Premium Sports and school staff. Free After School Sport Club refreshments.	£500	<p>After School Clubs led by Premium Sport would have taken place during the summer term before the school closures.</p> <p>Extended and inclusive extra-curricular provision offered to all year groups. 50% uptake overall, but this would have increased as more clubs offered during the Summer term. Children look forward to attending clubs and are often able to transfer the skills they learn from the club into their PE lessons. Children's confidence and self-esteem increased. Increased awareness of ways to lead a healthy lifestyle (children sent home with 'keeping healthy' stickers as a reminder to them and their families to stay healthy e.g. Eat well, Move well, Sleep well). Increased school-community links and daily physical activity. No cost after school clubs increased participation. Positive feedback from parents about children's enthusiasm for school clubs.</p>
KS1 Tri Golf Cluster Event. Supply cover.	£95.00	<p>Children enjoy the opportunity of cluster sport with children from other schools and feel proud to represent their school. Suffield Park Infants came 1st place this year! This was partly due to a well-planned curriculum where skills required for competition were included in PE lessons as well lunchtime activities. Children were focused and determined, just like they are in their high quality PE lessons. Cross Country cancelled due to school closure. To continue next year.</p>
KS1 Cross Country Cluster Event. Bus Costs plus 2x morning supply cover.	£400	
Free PE Kit T-shirts for all children	£400	<p>Every child feels proud and has a sense of belonging as they wear their House Team Coloured T-shirts for PE lessons. The house team t-shirts have also promoted opportunities for competition ('in house' throughout the year). Children look smart and ready for action!</p>
PE Learning Cafés Incl Fruit and vegetables.	£150	<p>PE Learning Cafes cancelled due to school closure. To continue next year.</p> <p>To promote leading healthy lifestyles and increase parental involvement, children and their families have been encouraged to take part in physical activities at home during lockdown.</p>

Books about healthy living, exercise and sports for classrooms for year groups.	£200	Children develop their interest in sport and learn about ways of keeping healthy by reading books in their own time. Teachers and teaching assistants develop the PE curriculum using books as teaching aids within their lessons and healthy living curriculum. Children enjoy finding out new information to develop and deepen their knowledge of the human body and ways of staying healthy.
<u>*Additional PE Updates during lock down.</u> Hula Hoop for every child and member of staff.	£400	*A free hula-hoop for every child and member of staff during lockdown to promote keeping active at home and in school. Hula-hoops hand delivered to every child with an attached letter to parents highlighting the benefits of hula hooping: teaching coordination, core strength, mental focus and confidence, as well as a fun way to keep active and healthy.
Sport Teacher - A full afternoon, once a week.	£500	*To use sport teacher alongside teaching assistants, to promote physical activities in school within a bubble of Y2 children (key workers and vulnerable children). Children have positive relationship with familiar sport teacher. Children engage in a safe and energetic PE curriculum that develops physical competence, confidence, resilience and character building. *Mr Upton weekly challenge (video) - using our Sports teacher to encourage children, particularly at home, to practise their fundamental skills in a fun and challenging way.
Promote Keeping Active and support Well Being at home.	No Cost	*The School Face Book Page and School Website has been used to promote keeping active and staying healthy at home. This has included a daily 'Staying Active at Home' challenge for children and their families to enjoy each day, varying from Throwing and Catching to Well Being Yoga. The challenges provide opportunities to engage in daily physical activity in line with the Chief Medical Officer's recommendations (60 minutes a day), as well as supporting children's personal well-being.

Total so far - £12,245

*The DfE has also sanctioned any PE and Sport Premium funding from the current academic year (2019-20), that schools **were unable to use**, as a result of the coronavirus pandemic, can be **carried forward** to utilise in the next academic year.

PE and Sport Funding 2018 - 2019

Purpose	Expenditure	Impact
<p>Games Sport Coach - A full afternoon, once a week. Plus Cluster Sports Coordinator. Dance Teacher A full morning once a week.</p>	<p>£2500 £700 £1600</p>	<p>All children have benefitted from an enhanced and inclusive PE provision. Teachers and Teaching Assistants have been supported by coaches in the delivery of high quality PE in specialist areas such as dance and athletics. Games coach and Dance teacher work with teachers and teaching assistants to ensure sports legacy whilst upskilling our staff. Children follow sequences of lessons and consolidate their learning of skills and techniques thus preparing them appropriately for future lessons to produce good outcomes.</p> <p>There has been increased opportunities for participation in competition for children to perform and compete in front of an audience. 'In house' competitive sport has continued to help children learn resilience, team-work, as well as character building, focusing on the whole child.</p> <p>The sports coach has also supported lunchtimes, providing activities based on children's interests and ideas. These activities change to ensure children experience a broad range of sports and skills and to ensure children's involvement is high.</p> <p>"We got to play REAL tennis, I've only ever played it on my computer," said a Year Two child.</p> <p>Teachers and teaching assistants have observed improvements in children's overall fitness and well-being. Children are able to stay active for longer periods in PE lessons and during extra-curricular activities such as the Daily Mile.</p>
<p>TA Teaching PE to all year groups. Level 3 Teaching & Learning in PE.</p>	<p>£3500</p>	<p>High quality PE lessons have been taught to all year groups. New ideas have been introduced and enhanced the current PE curriculum such as Real PE and Morris Dancing.</p> <p>PE Leader has been well supported with planning and embedding Real PE into the PE curriculum.</p> <p>The PE trained teaching assistants have used RealPE to provide exciting, high quality, engaging and challenging lessons so children enjoy PE. A parent came into school and said, "My child loves PE with the TA's and is really looking forward to PE today!" A parent helper supported a PE lesson and said, "You could tell how much the children enjoyed their PE lesson as they were all buzzing". A school governor observed a PE lesson and afterwards said, "the children were all happy to take part and it looked so much fun. I was surprised to see how well they kept going for an hour!"</p>

		<p>The delivery of PE lessons from trained teaching assistants has had a positive impact on whole school improvement and has contributed to the high profile of PE and sport in our school.</p> <p>In PE lessons, children learn about the human body, the bones and muscles and also how the heart and lungs work. This is essential for educating children about the benefits of physical activity.</p> <p>A child quoted, "It rained today in PE but it was important that we kept going!"</p>
<p>Premier Education - Play Triton in Reception and Fun Triton in Year One.</p> <p>2 x 6 week programmes</p>	£1500	<p>Reception and Year One children took part in fun, play-based opportunities, where they experienced and explored foods, finding out where they come from and learnt what is healthy (and what is not). The children learnt about the importance of a balanced diet and discovered how what you eat affects your body. The children have a better understanding of making healthy lifestyle choices, not just being active but also eating well too.</p>
<p>KS1 Swimming Lessons.</p> <p>£350 Pool Hire</p> <p>£325 Swimming Teacher</p> <p>£1200 Transport</p>	£2000	<p>As a coastal school, we regard swimming in Year Two as being an essential part of the curriculum. The swimming lessons have provided all Year Two children with the experience of water confidence and water safety, as well as learning stroke techniques.</p> <p>The swimming lessons have also provided invaluable opportunities to enhance children's physical lifestyles, as the children have experienced that swimming is a fun activity that they can engage with.</p> <p>After six lessons, 12% of Year Two children are able to swim 25 metres or more (an end of Year 6 requirement)! 33% of Year Two children are able can swim 10 metres or more. 99% Participation. Overall, all of the children were all able to move independently and confidently in the water.</p> <p>"I wish we could go swimming everyday," said a Year Two child.</p> <p>"I'm definitely going to ask Mum to take me swimming in the holidays," said a Year Two child.</p>
<p>To employ 1 MSA for a year to lead and deliver active lunchtimes.</p>	£2300	<p>Children have continued to enjoy the different activities the Play Leader provides, showing high levels of engagement. The Daily Mile runs alongside the activities lead by Year Five children. The atmosphere on the field at lunchtimes is vibrant. Children are happy and have the opportunity to develop healthy lifestyles on a daily basis.</p> <p>A variety of playground equipment is set out to increase daily physical activity. Often this equipment is the same equipment used in PE lessons, so the children get the opportunity to practise their skills further.</p>

		<p>Opportunities for Year Two children to experience leadership as they support the Play Leader with equipment choices for each day.</p> <p>98% of children agreed that they enjoy lunchtimes at school and playing outside with friends. (Child Questionnaire).</p>
Restock of new Resources for PE lessons and playground equipment	£500	<p>A wide range of PE equipment has been purchased over the year to support physical development, PE lessons, sports clubs and playtimes. As a result, this has increased participation from all children in physical activity.</p> <p>Sports equipment such as bats, balls, skipping ropes, balancing resources have been purchased so they are readily available for the children to use during lunchtimes. The children have enjoyed using the equipment to create games with each other, building on their social skills. Children behave well and encourage others to join in; forming good relationships with others, they don't necessarily associate with in class.</p> <p>Children are more active, more of the time.</p>
<p>After school clubs run by Premium Sports and school staff.</p> <p>Free After School Sport Club refreshments.</p>	£500	<p>All of the children have been invited to take part in an enhanced, extended and inclusive extra-curricular provision. Through extra-curricular activities, there has been an increase in children's confidence, self-esteem and awareness of leading a healthy lifestyle. This has been evident through teacher and parent observation. Children look forward to attending clubs and can transfer the skills they learn from the club into their PE lessons.</p> <p>Increased school-community links and daily physical activity.</p>
<p>RM Leadership Time for planning, evaluating and monitoring, as well as attending sporting events. (Supply Cover)</p>	£800	<p>PE Subject Leader has been able to continue monitoring the teaching of PE and Sport with the head teacher and governors, to ensure the PE funding is having a positive impact on children's learning. The PE Subject Leader has continued to raise the profile of PE and Sport across the school, promoting the vital role that PE and physical activity plays in nurturing and developing confident, healthy, responsible and successful young children.</p> <p>Time has been built into curriculum to learn about 'Healthy Living' in all year groups. Children have gained a deeper understanding of the importance of healthy living and exercise, and different ways to lead a healthy life style.</p>
<p>KS1 Tri Golf Cluster Event. Supply cover.</p>	£95.00	<p>Children had the opportunity to compete against other children from local schools and represent our school. Overall, the children came 'second place' out of seven schools this year in the Cross</p>

KS1 Cross Country Cluster Event. Bus Costs plus 2x morning supply cover.	£300	Country Event! There is a clear improvement in the progress made by the children's stamina demonstrated in both PE lessons and in after school clubs. There has been increased opportunities for participation in competition with dance performances and Cross Country events (inside and outside of school), as well as opportunities for children to perform and compete in front of an audience during PE lessons.
PE Learning Cafés Including Fruit and vegetables.	£100	Implementing the Daily Mile has provided the children with a new experience. Children have been invited to take part in the Daily Mile during lunchtimes. Parents and families were also invited to come in before school and take part in the daily mile with their children, throughout Healthy Living Week. There was a super up-take and 500 daily mile stickers were handed out to children and adults during the week. This increased parent's awareness of the importance of daily, physical exercise and simple ways of leading healthier lifestyles. Enhanced communication with parents/carers. 100% of children agreed that they learn to be healthy at school (Child questionnaire). Total - £16,400

PE and Sport Funding 2017 - 2018

Purpose	Expenditure	Impact
Games Sport Coach - A full morning, once a week.	£2500	Children are well motivated, enjoy PE lessons and are enthusiastic about taking part in PE and Sport in our school.

<p>Autumn/Spring/Summer Term Dance Teacher</p> <p>A full afternoon once a week.</p> <p>Autumn/Spring/Summer Term</p>	<p>£1500</p>	<p>Children continue to build positive relationships with teachers and sport teachers through mutual respect. Children follow sequences of lessons and consolidate their learning of skills and techniques thus preparing them appropriately for future lessons to produce good outcomes. They have an opportunity to participate in activities that require the new skills that are taught.</p> <p>All children practise skills in a wide range of activities, by themselves, in small groups, and in teams. Children can apply these skills to achieve good performance.</p> <p>Enhanced, extended, inclusive high quality PE provision for all children.</p> <p>(Evidence: Teacher feedback, observations)</p>
<p>Professional development opportunities for teachers and staff in PE.</p> <p>Real PE Training/ Yoga/ Morris Dancing</p> <p>TA Level 3 Teaching & Learning RM Leadership Time (Supply Cover)</p>	<p>£6550</p>	<p>All staff have up skilled their teaching skills in PE. Teachers and teaching assistants are more confident and competent.</p> <p>Teachers have extended the Dance aspect of PE and are confident to teach Morris Dancing as part of curriculum time. Classes also performed in front of families and the local community at the school's New Build Grand Opening. Yoga has also been integrated as part of the school's weekly enrichment afternoon.</p> <p>The PE Subject leader has been up skilled in Real PE by attending a three day training course. Real PE will be embedded into the PE curriculum to support clear learning objectives and individual progress.</p> <p>There is a high level in children's achievements in Early Years with 79% children meeting the Health & Self Care Early Learning Goal (ELG) and 85% children meeting the Moving & Handling Early Learning Goal (ELG).</p> <p>95% Year Two children met 'expected' or above learning outcomes in Gymnastics and 98% 'expected' in Games and Dance.</p> <p>91% Year One children are meeting 'expected' or above learning outcomes in Gymnastics and Dance.</p> <p>98% Year One children are meeting 'expected' learning outcomes in Games. This is expected to continue or even exceed this coming year.</p> <p>The children who are not meeting 'expected learning outcomes' in PE have been identified and selected to participate in extra activities with Games Teacher.</p> <p>Two Teaching Assistants have successfully completed the Level 3 National Teaching & Learning</p>

		in PE in Primary Schools training and will teach aspects of PE using their skills and subject knowledge gained from the course. A positive impact on whole school improvement.
To employ 1 MSA for a year to lead and deliver active lunchtimes.	£2000	<p>The Playground Leader and Year Two Leaders have enriched the lunchtime play activities and inspired children to keep active. They have promoted daily physical activity as well as encouraged children to work together providing them with a focus.</p> <p>Evidence: The Year Two Playground Leaders have grown in confidence and data showed these children made excellent progress in Literacy and Numeracy, as well as speaking & listening, at the end of Year Two.</p>
<p>New Resources</p> <p>Early years outside equipment.</p> <p>Playground equipment</p> <p>Counting Kit</p> <p>Speaker System</p>	£2400	<p>Children continue to benefit from a wide range of PE equipment across all year groups including Reception. All Reception children have benefitted greatly from daily opportunities to practise and improve their fine and gross motor skills needed to access the KS1 PE Curriculum.</p> <p>Reception children use and develop social skills as they play socially outside with equipment that encourages the engagement of more than one child.</p> <p>Restock of PE equipment has increased participation from all children during PE lessons, playtimes and after school clubs.</p>
<p>After school clubs run by Premium Sports and school staff.</p> <p>Free After School Sport Club refreshments.</p>	<p>£500</p> <p>£150</p>	<p>Every child has been given the opportunity to take part in extra-curricular activities such as Sports Club, Fitness Club, Parkour Club, Maypole Club, Morris Dancing Day, Healthy Week, Sponsor Runs, Dance off Competitions, PE Cafes, Sport Days.</p> <p>This has increased confidence, self-esteem and awareness of healthy living.</p> <p>Two boys have joined a Parkour Club in Norwich and have taken part in competitions. This has contributed to school-community links.</p> <p>Eight children joined the local Tennis Club and successfully completed a six weeks course. One of these children was selected to take part in a competition against other clubs.</p> <p>Children respond positively about school clubs. 70% of Year Two children took part in after school sports clubs. 67% of Year One children took part in after school sports clubs.</p>

		<p>87% parents agreed we provide an interesting range of after school clubs and sports outside lessons (Parents questionnaire).</p> <p>After school clubs has enhanced communication with parents/carers. Enhanced, extended, inclusive extra-curricular provision.</p>
KS1 Tri Golf Cluster Event. Supply cover.	£95.00	<p>Children positively learnt new skills from the Games Coach and develop these skills further in the Tri-Golf and Cross Country cluster events.</p> <p>A significant majority of children's overall stamina has improved through more challenging warm ups and physical activities in preparation for Cross Country.</p>
KS1 Cross Country Cluster Event. Bus Costs plus 2x morning supply cover.	£230	<p>This is particularly evident in after school clubs where children are running over increasing periods of time.</p>
PE Learning Cafés	£230	<p>PE Cafes have increased parent/carers involvement, acknowledgement and awareness of leading healthy, active lifestyles. A parent quoted "A fantastic morning of fun active activities. The fruit kebabs were delicious; we will definitely be making those at home!" A child quoted "I loved eating all of the fruit, it made me feel happy."</p> <p>During PE lessons, after school clubs and in general conversation, children clearly show that they have a greater understanding of healthy living and the importance of healthy minds. They demonstrate greater confidence in themselves along with a greater self-belief.</p> <p>After watching the children enjoy taking part in Street Dance during the PE Cafes, six parents took their children to the local dance club. This has contributed to school-community links.</p> <p>PE Cafes have enhanced communication with parents/carers and provided opportunities for parent voice.</p> <p style="text-align: right;">Total - £15,655</p>
Children's Voice taken from Parents Questionnaire school year 2017-2018.		

Children's biggest achievements in school included: PE, Gymnastics, learning and finding out about ways of keeping healthy, joining in with maypole dancing, sports days, getting certificates and stickers, taking part in after school clubs.

What is the best thing about our school? Playing outside, the outdoor equipment, going on bikes outside, clubs after school, fun playtimes, doing PE.

PE and Sport Funding 2016 - 2017

Purpose	Expenditure	Impact
<p>Games Sport Coach - Autumn/Spring/Summer Term Yr R,1,2 Dance Teacher</p> <p>A full afternoon of Dance, for YrR,1,2 plus an after school Dance Club for both Y1 & Y2 children</p>	<p>£3000</p> <p>£1700</p>	<p>All of our children show co-operative skills and have built positive relationships with teachers and sport coaches through mutual respect.</p> <p>Children follow sequences of lessons and consolidate their learning of skills and techniques thus preparing them appropriately for future lessons to produce good outcomes.</p> <p>There is an improvement in children's progress in Dance; both Year One and Year Two children are meeting expected learning outcomes. This is evident from teacher's observations and assessments made alongside sport coaches.</p> <p>SEN Children are close to reaching the same as other children with the same starting points in Year 1 and Year 2.</p>
