

This is your child's home learning pack in case they need to self-isolate. If your child's 'school bubble' ends up closing, further activities will be posted on Tapestry. Please make sure you are accessing Tapestry regularly. Please upload a photo of any work your child has done to Tapestry for their Teacher to see.

Here are some other useful resources:

Espresso. Espresso covers phonics, maths and all the other foundation subjects. There is a variety of videos, activities and games your child can access.

www.espresso.co.uk

Login: student23713

Password: apple1

Maths Whizz. Maths Whizz is tailored to your child's mathematical ability. www.mathswhizz.co.uk

Your child has their own login for this.

Oak Academy. Oak Academy is an online resource which contains pre-recorded video lessons.

<https://www.thenational.academy>

Big Cat E-books <https://collins.co.uk/pages/big-cat-ebooks>

Big Cat E-books allows you access to phonetically decodable books suitable for your child's ability.

Remember you and your child can read any other books/magazines they are interested in. You could also practise your child's sounds (keyrings) and alien words with them. You could make up your own alien words for your child to read.
