

Remote Learning Suggested Timetable for Rainbow Fish Class (SRB), Suffield Park Infant and Nursery School

The learning activities for each day will be uploaded onto Tapestry. Please write a comment or add a photograph or video to let us know how your child managed the activity. We will comment every day. The order of the morning sessions matches our classroom timetable, so we will all be following the same routine and your child will be very familiar with it. We recommend that the children complete their normal getting dressed, having breakfast and cleaning their teeth routine before the day begins, just like a school day!
