Head Teacher: Mrs Nichola Stewart

1st December 2020

Dear Parents/Carers of Turtle Class,

As you are aware Miss Kerry has been unable to attend school during lockdown but has continued to support the children remotely. During this time, Turtle class has been taught by Mrs Turner. Miss Kerry would like to pass on her thanks for the excellent parental engagement on Tapestry.

Miss Kerry would also like to inform you that she will be having an operation. Whilst Miss Kerry recovers from her operation, she will not be working remotely and Mrs Turner will continue with us to provide continuity for your children. Miss Kerry hopes to be back with us before Christmas. During this time, please be aware responses on Tapestry may not be so rapid so we would be grateful if you could direct any concerns or queries to staff at the door or by emailing the office.

Many thanks for your understanding during this period of time.

Yours sincerely,

Mrs Nichola Stewart
Head Teacher
