

## Suffield Park Infants and Nursery School PE and Sport Funding

### Impact 2021-22

Payment for 2021 to 2022 £16,000 and an additional payment of £10 per pupil.

### Intended PE and Sport Funding 2021-2022

Purpose	Expenditure	Impact
<p>Sport Teacher</p> <p>A full afternoon, once a week (PE lessons and lunch times).</p> <p>Plus Cluster Sports Coordinator (organises cluster competitions e.g. Cross Country and attends 6 extra mornings a year).</p>	<p>£3,500 + £750 (cluster)</p>	<p>Children have benefitted from an enhanced and inclusive PE provision. Staff have taught alongside the sport teacher to ensure sports legacy whilst also upskilling.</p> <p>Active lunchtimes have been supported by the sport teacher, providing activities based on children's interests and ideas. Children have experienced a broad range of sports and skills, but in a less formal setting.</p> <p>Children have experienced fun and active lunchtimes with their peers, siblings and others who they do not necessarily associate with in class. Some Y2 children have developed leadership skills, interacting with children across the year groups, encourage active and engaging playtimes.</p> <p>Children have developed stamina for running during PE lessons and performed new running skills with in 'in house competitions' and at the cluster Cross Country event; where we achieved first place overall position!</p>

		<p>'In house' competitive sport has continued to help children learn resilience, teamwork, as well as character building, focusing on the whole child.</p> <p>Children's overall fitness and well-being has improved. Children talk positively about their skills and performance in and out of school.</p> <p>Children are proud to share outside achievements in whole class assemblies.</p>
TA Teaching PE to all year groups. Level 3 Teaching & Learning in PE.	£6,000	The delivery of PE lessons from trained teaching assistants has continued to have a positive impact on whole school improvement and has contributed to the high profile of PE and sport in our school. All children have benefitted from an enhanced and inclusive PE provision. PE lessons are exciting, fun and engaging for all children. Children enjoy PE and are enthusiastic about joining in.
Georgie  Dance Teacher A full morning once a week. Additional experienced dance teacher (one day).	£1,500       £400	Children have had the opportunity to work with a dance teacher providing high quality dance teaching. Children have had the opportunity to perform competitively with class peers to an audience. Children have developed their skills further by attending local dance clubs. Children talk positively about their experiences and achievements.
<u>Resources</u> -  Restock KS1 PE lessons  Active playtimes equipment  Speaker System  Gymnastics Mats  Active Mile Markings	£2,500   (£250)  (£250)  (£144)	<p>A wide range of PE equipment has been purchased throughout the year to support physical development, PE lessons, sports clubs and playtimes. This has increased participation from all children in physical activity.</p> <p>Sports equipment such as bats, balls, skipping ropes, balancing resources are readily available for the children to use during lunchtimes. Children enjoy using a range of equipment to create games with each other, building on their social skills.</p> <p>Children behave well and encourage others to join in, forming good relationships with others. Children are more active, more of the time.</p>

Apple Music		Purchasing and updating resources has supported teachers/trained TA s in their ability to provide high quality PE sessions. PE equipment continues to be of good quality. Gymnastic equipment has been well maintained, to ensure safety for all children when in use.
KS1 Cross Country Cluster Event. Bus Costs	£300	KS1 children had the opportunity to compete against other children from local schools and represent their school.  Children were proud of their contribution to the overall result of first place! This was celebrated with parents and back in school during whole class assembly.
Early Years Playground Road Map	£4,000	*This will be completed in September 2022. Children will further develop fine and gross motor movements whilst accessing outdoor provision. Children will develop physical literacy, agility, balance, and co-ordination through fundamental movement skills.
RM Leadership Time  Evaluating and monitoring, as well as attending sporting events. (Supply Cover) PE Subscription	£500  £91	PE Subject Leader has monitored the teaching of PE and Sport with the head teacher and governors, throughout the year to ensure the PE funding has had a positive impact on children's learning. Assessment has been introduced to ensure children are targeted with appropriate next steps. The subject leader has continued to raise the profile of PE and Sport across the whole school to help to make developments sustainable for the future.
Norfolk PE conference for the subject leader plus supply cover half a day	£135.00  £100.00	Guidance and examples of successful ways to spend the Funding (leaving a long lasting impact) were shared. This has supported the leadership and management of spending the PE money, benefitting our school.

<p>PE Healthy Living Week (Fruit &amp; Veg)</p>	<p>£120</p>	<p>Children's knowledge and awareness of leading healthy, active lifestyles has increased. Children talk confidently about different ways of keeping healthy in PE, Science and PHSE lessons. Children are keen to tell staff that they have took part in sport outside of school and that they have eaten healthily at home.</p> <p>Children know that PE and sport can play part of a healthy lifestyle e.g. positive effects on behaviour, health and well-being and health and fitness.</p> <p>Children are engaged in regular physical activity (both in PE lessons and during playtimes) - kick-starting healthy active lifestyles.</p> <p>Regular use of Tapestry to celebrate learning and achievement in PE lessons, Science and PHSE lessons throughout the year, has enhanced communication with parents/carers.</p>
<p>Books</p>	<p>£200</p>	<p>Children enjoy reading books about sports in their own time. They have developed greater understanding and knowledge that PE and sport can play as part of a healthy lifestyle e.g. positive effects on behaviour, health and well-being and health and fitness.</p> <p>Staff have developed the curriculum by using books as teaching aids within the PE and healthy living curriculum.</p>

Total so far - £21,896 \*(£16,160 plus £4500 carried over from last year)
