

## Suffield Park Infants and Nursery School PE and Sport Funding

Payment for 2022 to 2023 £16,000 and an additional payment of £10 per pupil.

### Intended PE and Sport Funding 2022-2023

Purpose	Expenditure	Intended Impact
<p>Sport Teacher A full afternoon, once a week (PE lessons and lunch times). Plus Cluster Sports Coordinator (organises cluster competitions e.g. Cross Country and attends 6 extra mornings a year).</p>	<p>£3,500 + £900 (cluster)</p>	<p>All children will continue to benefit from an enhanced and inclusive PE provision. Staff will work with the sport teacher in the delivery of high quality PE in specialist areas such as Games and Athletics. The sport teacher will work with staff to ensure sports legacy whilst also upskilling staff.</p> <p>Increased opportunities for 'in house' competition for children to perform and compete in. This will continue to support children's resilience, confidence and ability to work with others. The sport teacher will continue to support active lunchtimes, by providing activities based on children's interests and ideas. This will ensure all children have the opportunity to experience a broad range of sports and skills, but in a less formal setting.</p> <p>Children will experience a fun and active lunchtime with their peers, siblings and others who they do not necessarily associate with in class.</p> <p>Children will learn new skills from the sport teacher and develop them further in cluster events such as Tri-Golf and Cross Country. Children will also be encouraged to use these skills during lunchtimes, participating in the active mile. Children will be calmer and more settled in class to access afternoon learning.</p>
<p>TA Teaching PE (Level 3 Teaching &amp; Learning in PE).</p>	<p>£3,000</p>	<p>High quality PE lessons delivered to all year groups. PE lessons will be exciting, fun and engaging for all children. Children will enjoy PE and be enthusiastic about joining in.</p>

		<p>Further experiences and skills such as Real PE, will be added to enhance the current PE curriculum. Children will continue to follow sequences of lessons and consolidate their learning of skills and techniques, preparing them appropriately for future lessons to produce good outcomes.</p> <p>The delivery of PE lessons from trained teaching assistant will continue to have a positive impact on whole school improvement and contribute to the high profile of PE and sport in our school. Children will learn about the human body, such as the bones, muscles and how the heart and lungs work. This will be essential for educating children about the benefits of physical activity. Parents will feedback to staff about their child's enthusiasm for PE days.</p>
<p>Georgie Dance Teacher A full morning once a week.</p>	£1,500	<p>Children will have the opportunity to work with a highly experienced dance teacher providing high quality dance teaching. Children will have the opportunity to perform competitively with class peers to an audience. Children will continue to build positive relationships with teachers and sport teachers through mutual respect. Children follow sequences of lessons and consolidate their learning of skills and techniques thus preparing them appropriately for future lessons to produce good outcomes. They have an opportunity to participate in activities that require the new skills that are taught.</p> <p>All children will have the opportunity to practise these skills in a wide range of activities, by themselves and in small groups.</p> <p>Enhanced, extended, inclusive high quality PE provision for all children.</p>
<p><u>Resources</u> - Restock KS1 PE lessons Active playtimes equipment Apple Music</p>	<p>£2,000  (£144)</p>	<p>A wide range of PE equipment will support physical development, PE lessons, sports clubs and playtimes. This will increase participation from all children in physical activity.</p> <p>Sports equipment such as bats, balls, skipping ropes, balancing resources will be readily available for the children to use during lunchtimes. Children will enjoy using a range of equipment to create games with each other, building on their social skills.</p> <p>Children will behave well and encourage others to join in, forming good relationships with others. Children will be more active, more of the time. PE equipment will continue to be of good quality. Gymnastic equipment will be well maintained to ensure safety for all children when in use.</p>
<p>KS1 Cross Country Cluster Event. Bus Costs KS1 Tri Golf Cluster Event. Supply cover.</p>	<p>£300  £100</p>	<p>KS1 children will enjoy the opportunity of cluster sport with children from other schools and feel proud to represent their school. There will be opportunities for participation in competition with Games and Cross Country events (inside and outside of school), as well as opportunities for children to perform and compete in front of an audience during PE lessons.</p>

KS1 Swimming Lessons. £350 Pool Hire £325 Swimming Teacher £1200 Transport	£2,500	Swimming lessons will provide all Year Two children with the experience of water confidence and water safety, as well as learning stroke techniques. Swimming lessons will provided invaluable opportunities to enhance children's physical lifestyles, as they experience swimming as a fun activity that they can engage with their family outside of school.
Restock of new Resources for Early Years (including bikes and trikes).	£2,000	Children will further develop fine and gross motor movements whilst accessing outdoor provision. Children will develop physical literacy, agility, balance, and co-ordination through fundamental movement skills. Children will enjoy using a range of equipment to create games with each other, building on their social skills. Children will behave well and encourage others to join in, forming good relationships with others. Children will be more active, more of the time.
Free PE Kit PE t-shirts for all children	£270	House Team Coloured T-shirts for all children to wear in PE lessons will promote opportunities for competition ('in house' throughout the year) as well as a sense of belonging. Children will look smart and ready for action!
RM Leadership Time Evaluating and monitoring, observe PE lessons, as well as attending sporting events and PE conference. (Supply Cover) PE Subscription	£500  £91	The high profile and importance of PE, healthy living and physical activity will be evident and embedded throughout the school. Children will see PE, physical activity and exercise as an important part of their life. Teaching staff will feel happy and confident to teach PE with the support and guidance of the subject leader. PE and sport will be monitored to ensure a positive impact is made. Improved Planning and Assessment will ensure all children make good progress. Children's achievements in and out school will be valued and celebrated often. The subject leader will continued to raise the profile of PE and Sport across the whole school to help to make developments sustainable for the future.

<p>PE Healthy Living Week (Fruit &amp; Veg)</p>	<p>£120</p>	<p>Children will build on their knowledge and awareness of leading healthy, active lifestyles. Children will talk confidently about different ways of keeping healthy in PE, Science and PHSE lessons. Children will be enthusiastic about taking part in clubs outside of school and excited about eating more healthily at home.</p> <p>Children will know that PE and sport can play part of a healthy lifestyle e.g. positive effects on behaviour, health and well-being and health and fitness.</p> <p>Children will understand the importance of taking part in regular physical activity (both in PE lessons and during playtimes) to kick-start healthy active lifestyles.</p> <p>Regular use of Tapestry to celebrate learning and achievement in PE lessons, Science and PHSE lessons throughout the year will enhanced communication with parents/carers.</p>
