Thank you to everyone who came to our Soup & Roll events at the end of last term. The children have been busy learning all about fruit and vegetables and this was a lovely way to round off the activities making fresh soup and bread for the parents! It was amazing to share this learning with you and we are so pleased to finally have parents back into Nursery! This coming term our themes are; Movement, Celebrations and Animals. We will be hosting lots more interactive parent events, more details to follow on our Christmas events!

Our Key Person catch up week was another success, so again thank you for your support in speaking to your child's Key Person. If you couldn't make an appointment but would like some time with your child's Key Person, please contact them and we can arrange a catch up at a convenient time.

## COLD WEATHER

A reminder to make sure we have an extra change of (**named**) clothes, coats and wellies. We are incredibly lucky to have a wooded area on the school site that we hold sessions in during the week for each of our rooms. Do please make sure that especially on the days your child will be going to the woods, that they have wellies, coats and a change of clothes with them.

This term in the woods the children will be learning skills of den building, mud painting, tree climbing and using different hand tools. Finishing off with hot chocolates around the campfire later in the term after learning all about fire safety.

Sessions are currently as follows:

Tuesday morning - Rock Pool & Coral Reef

Wednesday afternoon - Deep Blue Sea & Lagoon

Thursday morning - Lagoon

Thursday afternoon - Coral Reef

Friday morning - Deep Blue Sea

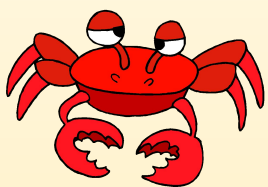

### Winter Warmers Drive

We have a large selection of warm coats, snow suits and boots that are available from the School Office - **all free of charge!** There are sizes from baby to adults - so if you need a new child's coat for any age, do come and have a look. There is plenty to look through. You can just pop into the School Office, alternatively you can contact us at Nursery and we can get items together for you if easier. Either email us or call the Nursery Office to speak to Dominika or Hayley.
