Head Teacher: Mrs Nichola Stewart

Dear Parent/Guardian,

Our school milk scheme

Our school provides a milk scheme that is available to all of our pupils. School milk is free for under-5s, and for over-5s it is available at a subsidised* price.

Each child that registers with Cool Milk will receive a 189ml portion of semi-skimmed milk every day, delivered fresh and chilled to the classroom. Their school milk will not only provide them with essential nutrients, but as it is rehydrating and energy boosting it also bridges the gap between breakfast and lunch to help children stay focused. For more information on how milk can benefit children visit www.coolmilk.com/why-milk-is-great.

How to register: please note we have registered your child so you do not need to do anything until four weeks before their 5th birthday, at this point you will need to contact Cool Milk if you wish your child to continue to receive milk. If your child has any allergies and cannot have milk please let the office or class teacher know as soon as possible.

If your child is five or older:

- Register and pay online at www.coolmilk.com
- You can pay Cool Milk either online, over the phone or at a local PayPoint in half-termly, termly or annual instalments.
- Please pay by a Tuesday at 5pm for your child's milk to start the following week
- Pupil premium children are entitled to continue receiving free milk but you will need to register them.

If you have any questions regarding school milk please visit www.coolmilk.com or contact Cool Milk directly on 08003213248. More information on milk is also available from the school.

Kind regards,

Mrs Nichola Stewart
Head teacher

* Milk for under-5s is provided free of charge, fully funded by the Department of Health. Milk for over-5s is subsidised by the Rural Payments Agency and the E.U.
