2nd September 2021

Dear Parents/Carers,

We hope that you have all had an enjoyable and safe summer holiday, we are looking forward to seeing our Year 1 and Year 2 children from Monday 6th September and then welcoming our new reception children over the next 2 weeks.

As a school we will continue to follow government and local authority guidelines relating to Covid 19. Enhanced cleaning and room ventilation will remain in place and staff will complete Lateral Flow Testing twice a week. As a school our aim is to remain open and to keep our children, staff and community as safe as possible, your continued support will ensure that we can do this however, all policies are subject to change and the continued rise in Covid 19 cases in North Norfolk will be closely monitored.

The wearing of face coverings/masks are optional but we request that sensible judgment is made whilst waiting in larger groups and respectful distances are maintained when possible.

If your child shows any symptoms of Covid 19 we ask that you inform the school office: office@suffieldpark.norfolk.sch.uk or 01263 513296 as soon as possible, your child must remain at home. If your child develops symptoms whilst at school you will be called to collect your child and a PCR test would be advised. Please can we ask that you do not give your child paracetamol/ibuprofen before school, temperature remains a symptom of Covid 19 so we require a true temperature reading to determine if your child needs to go home.

Due to the classrooms remaining ventilated and the weather getting colder your child would benefit from wearing several layers of clothing so they can add and remove when needed.

Please ensure that your child has weather appropriate clothing and wears a warm/waterproof coat every day.

PE kits will need to be in school as children will no longer come to school in their kits. Please supply an outside PE kit, tracksuit bottoms/warm jumper and trainers (old)

Book bags need to come in to school every day.

All children will have a new water bottle, this remains in school. The cost is £1.70, please send correct money in a named envelope to your child's class.

The school lunch menu will remain the same until October.

The school day will be the same for all year groups with classes opening at 8.55am and finishing at 3.15pm. The gate to Cromer Junior School will be open and there will no longer be a one way system through the school.

Thank you

Mrs Nichola Stewart
