Head Teacher: Mrs Nichola Stewart

Good morning,

Following on from the new government updates regarding Covid 19 the wearing of face coverings are no longer required however we will continue to support those who choose to wear them and we ask that you remain considerate of others, vigilant for any Covid symptoms and do not send your child in to school if unwell. Please see below for the government update regarding school attendance:

Children and young people with Covid 19 should not attend their education setting while they are infectious. They should take an LFT test from 5 days after their symptoms started (or the day their test was taken if they did not have symptoms) followed by another one the next day. If both these tests results are negative they should return to their educational setting ( no earlier than day 6) as long as they feel well enough to do so and do not have a temperature. They should follow the guidance for their educational setting.

All guidance is subject to change.

Road safety: There is a growing concern regarding safe parking outside the school. Please do not park on the school crossing or any double yellow lines, parking in these places even if only for a few minutes makes crossing the road for the children extremely dangerous. There is limited space for parking on Mill Road so please make allowances with time so you can safely park further away.

Head Lice: We have had confirmed cases of head lice within several classes, please check and treat as appropriate.

Please contact the school office with any concerns or questions: 01263 513296 - [office@suffieldpark.norfolk.sch.uk](mailto:office@suffieldpark.norfolk.sch.uk)

Thank you for your continued support.

Lynne Mezzetti  
Administrative Officer/ADSL
